To Whom It May Concern:

I have worked alongside Rod's Plumbing for almost 10 years.

Whether working on a commercial center or my own home, the experience of working with Rod's Plumbing has been phenomenal. You can always expect that they will be on-site when they say they will be; execute the scope-of-work in a professional manner; clean up after themselves, and finish up on-time and on-budget.

I would, without second thought, invite Rod's Plumbing onto my project team regardless of the size or complexity of the project.

Sincerely,
David C. VanderKlok, AIA, NCARB
